PROPOSAL**

It is time for the charm and delight that is the 14th annual Bras for the Cause and Boxers, too benefit, to be held on Saturday, March 25th, 2023. Be dazzled, be smitten, be a part of this amazing event benefitting the Greater Clermont Cancer Foundation. All the proceeds, 100%, raised from our events are used in the South Lake area to aid local community cancer patients and their families.

This magical event will begin at 6:00 p.m. at the Clermont Performing Arts Center located at 3700 S. Highway 27.

Saturday March 25th, 2023

EN CHANT MENT

May you have light and laughter....as you begin the evening with a warm welcome and an introduction to our models. The main auditorium is warm with festive décor, lighthearted music, the smells and tastes of savory hor d'oeuvres and guests of the Clermont Community.

Once we have sated the appetite for food, we turn our attention to the fun of the evening! Custom created couture is modeled and auctioned to the highest bidder as we charm, bewitch, and entertain the crowd with these whimsical fabrications; each designed, donated, and modeled by members of our community.

3700 US Hwy 27, Clermont

EN CHANT MENT

And to add a little sweetness to the evening, we will offer delicate desserts in an assorted array. As the gleam and glimmer of the event begin to fade, our Guests will have a final chance for photo opportunities with their friends, with their auction items, and with the knowledge they supported their community.

Greater Clermont
Cancer Foundation

Supporting Community Families Touched by Cancer

The Greater Clermont Cancer Foundation (GCCF) is a non-profit foundation whose sole mission is to support the citizens of South Lake County as they cope with the emotional and financial aspects of dealing with cancer. GCCF is not affiliated with any other area or national organization, and we strive to provide services not available from those groups. Our service area is the South Lake County community including Clermont, Minneola, Howey-in-the-Hills, Montverde, Groveland and Mascotte and the surrounding South Lake County area.

Our vision is for all affected families in the greater Clermont community to have access to healthcare support and the opportunity for a meaningful and enjoyable family life experience. The mission of the Foundation is to create a less stressful and more purposeful day-to-day life and family experience for area patients, by providing limited financial aid and support focused on reducing the day-to-day stresses that Cancer has on patients, their families and caregivers.

We are a 501(c)(3) foundation, funded by local business sponsors, organizations, individuals and fundraising community events. GCCF is 100% volunteer staffed and 100% of granted funds are disbursed to qualified recipients in the local area. Wherever possible, all purchases are also made within the local area.
